**FILING REQUIREMENTS
FOR NEW APPLICANTS
YEAR 2018**

Non-admitted insurers seeking to be included on ELANY's voluntary List of E&S Insurers should mail an application to the Excess Line Association of New York. As of January 1, 2017, the minimum requirements for eligibility for a foreign insurer include a policyholders' surplus of at least \$46,000,000 and a license from the insurer's domicile state permitting it to write the lines of business it seeks to write in New York.

The enactment of the NRRA in July 2011 resulted in statutory changes to New York Law and a re-write of Regulation 41. These changes to the Regulation are set forth in the 14th Amendment to Regulation 41. The Regulation, as amended, requires that the E&S broker obtain, review and retain certain documents in order to meet the "due care" standard when selecting an excess line insurer.

Brokers are relieved of this responsibility to the extent that ELANY obtains these documents. Therefore, to ease the insurer's burden of having to provide these documents to each broker with whom they do business, ELANY will continue to request and review these documents from insurers' writing, or seeking to write, surplus lines business in New York.

Attached is a list of items to be submitted to this Association (and to the New York State Department of Financial Services, where indicated).

All documents are to be mailed as follows:
