HISTORY

Trisura Specialty Insurance Company (TSIC) was incorporated under the laws of Oklahoma on May 31, 2017 and commenced operation in 2018. TSIC is a stock insurance company formed as an Oklahoma surplus lines insurer to write business as a nonadmitted surplus lines insurer in all states within the United States. On November 1, 2019, TSIC acquired 21st Century Preferred Insurance Company, a Pennsylvania domestic property and casualty insurance company, from the Farmers Group, changed its domicile to Oklahoma and was renamed Trisura Insurance Company (TIC). TSIC and TIC applied to the Oklahoma Insurance Department for a reorganization change of control in November 2021, with TIC becoming the “new” parent of TSIC. TSIC writes program business in all 50 states and the District of Columbia, and TIC writes program business on an admitted basis in 48 states, with applications pending in Idaho and Maine.

REINSURANCE

TSIC reinsures a substantial portion of its risk exposure program basis. The company takes real but limited risk positions, generally around 10% of the program, while reinsuring the balance to financially sound, reputable reinsurers (e.g., Swiss Re, General Re and Munich Re) on a quota share basis. There are opportunities that are presented to the Company where it takes a higher or lower risk position based upon size, limits, and underwriting considerations. Notwithstanding, TSIC’s net position is generally between 0-15% of the risk, with per loss limits maximized at \$150K per loss. When the layer of risk is larger than \$1M, the reinsurance is purchased on a layered basis, with TSIC taking 10%-15% of a \$500K to \$1.5M layer, and no net retention on higher layers. For the years 2019, 2020 and 2021, TSIC’s net reinsurance recoverable totaled \$120M, \$369M and \$691M respectively, reflecting 173%, 318% and 543% of the company surplus. Please refer to snapshot for names of key reinsurers.

HOLDING COMPANY

The ultimate controlling person of TIC is Trisura Group Ltd. (TGL), headquartered in Toronto, Canada. TGL was established in 2017 following the completion of its spinoff from Brookfield Asset Management Inc. TGL primarily operates as a hybrid fronting carrier. It conducts insurance and reinsurance operations primarily through three subsidiaries: in Canada (Trisura Canada), the United States (Trisura US) and Barbados (Trisura International). In Canada, TGL operates as a Canadian P&C insurance company. In the U.S., it is a domestic surplus lines insurer that can write business as a nonadmitted surplus line insurer in all states and admitted business in 48 states. TGL common shares are publicly traded on the Toronto Stock Exchange (TSX: TSU). For the years 2019 through 2021, the Group was rated by A.M. Best “A-” and assigned the financial size of IX (\$250M to \$500M)
