HISTORY

Ascot Specialty Insurance Company (Ascot Specialty) was incorporated in 1974, in Rhode Island, as Frontier Insurance Company. The company was renamed Coventry Insurance Company in 1986 and went dormant in 1989. In 2017, the company was acquired by Greyhawk Insurance Company (GIC) and renamed Greyhawk Specialty Insurance Company (GSIC). In October 2018, GIC and GSIC were acquired by Ascot US Holding Corporation, a wholly owned subsidiary of Ascot Group, Ltd (Ascot) (Bermuda), itself wholly owned by the Canada Pension Plan Investment Board (CPPIB). The company was re-activated and recapitalized in 2018 to expand Ascot United States business writing in; Environmental Liability, Professional Lines, Mergers and Acquisition, and Property, as facilitated through its Lloyds syndicate 1414, and its programs and program business. Ascot Specialty became eligible in New York in May 2019. As of December 31, 2021, the company is licensed in Rhode Island and eligible to write surplus lines insurance in forty-nine (49) states and the District of Columbia.

REINSURANCE

Ascot Specialty started writing new business in 2019 after having been dormant for many years, as such has limited historical reported claims experience. The Company cedes to various unaffiliated named reinsurers. The Company reported net losses and LAE reserves of \$2M and \$69M as of December 31, 2021 and 2020, respectively. As of December 31, 2021, on an inception-to-date basis, the Company has an ultimate loss ratio of 78%, of which paid, known case reserves and IBNR accounted for 8%, 11 %, and 81 %, respectively. The Company experienced a favorable development of prior year losses and LAE reserves of \$196, which was primarily due to change in actuarial IBNR estimates. However, the absence of historical data, combined with the startup nature of operations and longer tailed nature of some of the risks written, increases uncertainty and potential risk of material adverse development of the reserves. The Company benefits from a contractual indemnity from the former owner of the Company, Atlas General Holdings, LLC, whereby all insurance and non-insurance obligations, liabilities, and contingencies not otherwise disclosed to the Company as at October 4, 2018, date of Acquisition by AGL, are fully indemnified by Atlas.
