**RE: 2025 PREMIUM TAX STATEMENTS FINAL NOTICE  
AND NEW DFS ID**

ELANY is pleased to announce that the 2025 ELANY reports, used to complete the excess line broker Premium Tax Statement (a tax return), have been posted electronically in EEFS/AEROS on February 26, 2026. **The DFS portal will be updated with ELANY's member reports on or about March 3, 2026.**

**All** licensed excess line brokers must file a Premium Tax Statement **ELECTRONICALLY** with the DFS (not with ELANY) on or before March 16, 2026, even if **NO** business was placed under that license. New York and a number of other states assess up to a \$500 penalty if you fail to file. So, be sure to file tax returns in all states which require you to do so.

**PLEASE NOTE:** You must complete your Premium Tax Statements online through the NYS Department of Financial Services **DFS Portal using their new DFS ID for login**. The **previous DFS Portal login page will be discontinued**, and entity users will use DFS ID login credentials to access DFS Connect, LINX, and other DFS applications including **Premium Tax Statement** filings. Please refer to the [DFS ID Hub](#) on the DFS website for additional guidance.

See ELANY's [Excess Line Broker Premium Tax Quick Reference Guide](#) for helpful hints.
