RE: AFFIDAVIT/DESCRIPTION OF INSURED BUSINESS

ELANY provides Description of Insured Business in the electronic filing system tied to the North American Industry Classification (NAICS) Codes. There are 21 broad categories of risk descriptions and applicable codes set forth in the table below.

On all future transaction submissions beginning October 14, 2021, please select the applicable risk description and code from the 21 broad categories. Brokers are not required to select descriptions from the subcategories of descriptions for each of the 21 categories in the table below, simply select one of the 21 broad categories.

If you file transactions with ELANY programmatically, there is no need to change your current filing process or software. ELANY will continue to accept Insured Business Description subcodes if you submit them. However, you are free to conform your software to this change if you choose to do so.
